

FIELD OF JOY

In addition to the Festival of Lights, Fulton Parks and Recreation has partnered with the Callaway County Salvation Army to bring you the Field of Joy.

What is the Field of Joy? Located at Veterans Park, it is an opportunity for your family, church, business or non-profit to spread the joy of Christmas by providing a lighted Christmas tree. You will have the opportunity to purchase space where you can set up and decorate a Christmas tree. Tree stands will be provided but you will provide the tree, lights and decorations.

Set-up will occur between November 27th—28th. All trees will be lit November 30th at 5:30pm and will be on display until New Years Day. Help us reach the goal of 60 trees this year! Please complete the form below.
