

St. Peter Catholic School

The mission of St. Peter Catholic School is to educate the whole child within the framework of Catholic beliefs.

The foundation of our faith and our families is to live the message of Christ and the Church. Our school reflects this message and is a genuine experience of the Church. Evangelization and complete formation at St. Peter Catholic School serves as a foundation for academic excellence and civic responsibility.

We provide academic excellence through a committed, highly trained and dedicated faculty who focus on the needs of students. We maintain high attainable goals for our students, staff and school. We provide essential equipment and adequate facilities to enhance a safe learning environment.

We believe students, parents, teachers, staff and parishioners form a faith community. Each entity has a vital role in the educational mission of the Church. Through our academic setting, we offer support and guidance to parents fulfilling their responsibility of education their children.
